<i>A blend of 41% Merlot, 50% Cabernet Sauvignon and 9% Cabernet Franc. Expressive nose of berryfruit, cherries, spicy meat and gravelly minerality. Beautifully composed on the palate with fresh acidity, pure berry fruit and fine prominent tannins. The palate is more closed than the nose but this will evolve to be a real classic from 2025+. 	<p><i>'This may turn out to be the finest Lynch Bages made since the 2000. The vintages between 2000 and 2006 are certainly very good, but seemingly lighter-styled in addition to being more forward and soft. The seriously-endowed, dense ruby/purple-tinged 2006 reveals a classic nose of creme de cassis, roasted meats as well as herbs, licorice, and toasty oak. Fleshy, full-bodied, opulent, and well-endowed, it will be at its peak in 5-6 years, and should keep for 20 or more.' RP 91-93</i></p>

'Nobody in Bordeaux is more attentive to detail than Alfred Tesseron is at Pontet-Canet. Fashioned from incredibly low yields, a very late harvest, and a Draconian selection, the 2008 will not be close to drinkability for at least a decade, and it should still be in superb form circa 2060. An absolutely amazing effort, it boasts an inky/black/purple color as well as an extraordinary bouquet of creme de cassis, graphite, charcoal, and incense, blockbuster depth, and full-bodied power. The tannins are high, but they are remarkably velvety as well as well-integrated. Sensational acidity gives the wine precision and vibrancy, but the impression is one of massive concentration and power. The 2008 Pontet-Canet, a candidate for the wine of the vintage, is a tour de force in viticultural precision and winemaking savoir faire.' RP 96-98+

A blend of approximately two-thirds Merlot, one-third Cabernet Franc and 8-10% Cabernet Sauvignon, the 2005 exhibits plenty of toasty oak, roasted herb, meat juice, blackberry, cherry, and spice characteristics along with a touch of incense. Full-bodied and opulent, with an a typically rigid structure, this is a remarkable achievement for such a humble terroir. It admirably reflects Gerard Perse's obsessive commitment to excellence. <i>Tasted at the Domaine. This is an exquisite Corton-Charlemagne from its finest exponent. Tasted from a sample that was racked in late-September, is has a startling vibrant leesy nose with background scents of white peach, frangipane, tinned apricots and orange-blossom. The palate displays wonderful balance, a pervasive sense of effortlessness here, supreme harmony and clarity with a citrus/white peach tinged finish that forms an apt denouement for this gorgeous Corton Charlemagne. Outstanding. Drink 2011-2025+. Tasted November 2008. (97-99 Neal Martin)</i>

<i>(20 to 25% of new, 1, 2 and 3 year old wood). Classic oyster shell and iodine notes add nuance to the ripe green fruit and subtle wood aromas that precede big, rich and powerful flavours that possess grand cru size and weight, all wrapped in a complex, punchy and explosive backend. 	<i>'It is one of the most concentrated, massive Pinot Noirs I have ever tasted. The wine was bottled with no fining or filtering after it had spent 23-months in small oak casks. The colour is black/purple, and the nose offers up sweet aromas of licorice, minerals, and super-ripe black fruits intertwined with the smell of toasty vanillin new oak. In the mouth, there is awesome concentration, a thick, glycerin-imbued, full-bodied, chewy texture, and mouthsearing tannins in the explosively long finish. This should prove to be a monumental Pommard, but prospective purchasers will need to wait 10-12 years for this wine to shed some of its tannic clout. It should keep for 25-30 years.'</i> RP 94

	<i>'..moderately wooded nose displays notes of citrus, pear as well as ripe green fruit and subtle menthol aromas that can also be found on the bigger and richer flavors that culminate in a very dry and more structured finish. This is quite ripe with a focused, punch and bone dry finish. Excellent potential here as there is a lot of dry extract which will allow the wine to age over the medium term. Terrific. <i>'These aromas are fresh, even bright with seductive and enveloping spicy and earthy black pinot fruit that complements to perfection the textured, serious and hugely deep full-bodied flavors that completely drench the palate with extract like the Clos St. Denis, the tannins are rendered almost invisible and conferring a very suave character to the balanced and equally long finish. But here there is even more depth and power and while this won't make anyone forget the 2005, it's a worthy successor.' 2018+ 93-96 AM. Other formats on request.</i>

<p><i>There are 6,500 cases of the superb 2006 Dominus (91% Cabernet Sauvignon, 6% Cabernet Franc, and 3% Petit Verdot). Its dark plum/purple color is accompanied by aromas and flavors of truffles, forest floor, black cherries, black currants, and Asian spices. One of the finest wines of the vintage, it is complete, full-bodied, and seamlessly built with beautiful ripe tannins, low acidity, and a luscious, layered mouthfeel. The aromatics are even more evolved and complex than the 2005's. The 2006 should drink well for 20-25 years. (96) The Wine Advocate.</i></p>

<p><i>The opaque purple-hued 2005 exhibits an extraordinary nose of violets, creme de cassis, charcoal, and spring flowers. Gorgeously pure, opulently full-bodied, with sweet tannins, superb concentration, and a low acid, ripe, tannic finish, it tastes like a top-notch vintage of ripe Bordeaux, but made in California. It can be drunk now and over the next 20-25 years. Bravo! WA 95+</i></p>

	<i>The 2006 Sassicaia may very well go down as one of the all-time great recent vintages for this Tuscan thoroughbred. The year started off very warm but by August evening temperatures had moderated, leaving the fruit with a stunning combination of ripeness, perfume, acidity and tannin. The wine is simply glorious, that's all there is to it. Layers of dark fruit meld into smoke, leather, violets, menthol, earthiness and tar as this profound wine opens up in the glass. The creamy, silky finish lasts an eternity, as waves of fruit caress the tannins with breathtaking elegance. Everything is in the right place in this magical Sassicaia. This is one for the ages. In a word: Awesome. Anticipated maturity: 2012-2031. WA 97/100</i>

This is the first vintage where Guigal's newest acquisition, the Syrah from the Viria Vineyard (essentially a fourth single vineyard), is included in the blend. Dark ruby/purple to the rim, it boasts an extraordinary bouquet of ground pepper, creme de cassis, blackberries, coffee, bacon fat, and herbs. With outstanding concentration, huge tannin, and massive intensity as well as extract, it needs 7-8 years of cellaring, and should keep for 30-35 years. 96-98/100 WA</i>
