	<i>The finest La Bernadotte made to date, this 2009 is an undeniable sleeper of the vintage. Composed of 47% Cabernet Sauvignon, 47% Merlot, and the rest Petit Verdot, it reveals a dense purple colour along with a big, sweet kiss of black cherries, black currants, charcoal, and spice. With layers of fruit, decent acidity, freshness, and precision, and an opulent, fleshy, succulent style, it should drink easily for a decade or more. 90-92* RP (owned and made by Ch Pichon Lalande).</i>

	<i>'Nobody in Bordeaux is more attentive to detail than Alfred Tesseron is at Pontet-Canet. Fashioned from incredibly low yields, a very late harvest, and a Draconian selection, the 2008 will not be close to drinkability for at least a decade, and it should still be in superb form circa 2060. An absolutely amazing effort, it boasts an inky/black/purple color as well as an extraordinary bouquet of creme de cassis, graphite, charcoal, and incense, blockbuster depth, and full-bodied power. The tannins are high, but they are remarkably velvety as well as well-integrated. Sensational acidity gives the wine precision and vibrancy, but the impression is one of massive concentration and power. The 2008 Pontet-Canet, a candidate for the wine of the vintage, is a tour de force in viticultural precision and winemaking savoir faire.' RP 96-98+</i>

<i>'Gerard Perse has turned this site into one of the more stunning, modern-styled wines of Bordeaux. 	Ch Léoville Lascases	R	1983	(12 x 75 cl)	1	£1,100.00			
	<i>As one might expect, this is a brilliant wine, but it remains shockingly young, even for the fast evolving 1990s. Its deep ruby/purple color is accompanied by a classic, nearly restrained set of aromatics that includes notions of sweet black cherries, black currants, lead pencil, and wet stones. In the mouth, it is full-bodied, and while technically low in acidity, there is a freshness, delineation, and classicism in this full-throttle, rich, concentrated, impeccable 1990. While still youthful, it is easy to appreciate despite its substantial tannins. It is not quite as backward as the 1990 Lafite Rothschild or 1990 Latour. Anticipated maturity: now-2035. RP 96/100</i>

	<i>Tasted at the Domaine. This is an exquisite Corton-Charlemagne from its finest exponent. Tasted from a sample that was racked in late-September, is has a startling vibrant leesy nose with background scents of white peach, frangipane, tinned apricots and orange-blossom. The palate displays wonderful balance, a pervasive sense of effortlessness here, supreme harmony and clarity with a citrus/white peach tinged finish that forms an apt denouement for this gorgeous Corton Charlemagne. Outstanding. Drink 2011-2025+-. Tasted November 2008. (97-99 Neal Martin)</i>

<i>(20 to 25% of new, 1, 2 and 3 year old wood). Classic oyster shell and iodine notes add nuance to the ripe green fruit and subtle wood aromas that precede big, rich and powerful flavours that possess grand cru size and weight, all wrapped in a complex, punchy and explosive backend. This is a serious effort with plenty of minerality and such good balance that it will clearly age well. (89-92)/2009+ AM.</i>

<p><i>'It is one of the most concentrated, massive Pinot Noirs I have ever tasted. The wine was bottled with no fining or filtering after it had spent 23-months in small oak casks. The colour is black/purple, and the nose offers up sweet aromas of licorice, minerals, and super-ripe black fruits intertwined with the smell of toasty vanillin new oak. In the mouth, there is awesome concentration, a thick, glycerin-imbued, full-bodied, chewy texture, and mouthsearing tannins in the explosively long finish. This should prove to be a monumental Pommard, but prospective purchasers will need to wait 10-12 years for this wine to shed some of its tannic clout. It should keep for 25-30 years.'</i> RP 94</p>

	<i>'..moderately wooded nose displays notes of citrus, pear as well as ripe green fruit and subtle menthol aromas that can also be found on the bigger and richer flavors that culminate in a very dry and more structured finish. This is quite ripe with a focused, punch and bone dry finish. Excellent potential here as there is a lot of dry extract which will allow the wine to age over the medium term. Terrific. 	<i>'These aromas are fresh, even bright with seductive and enveloping spicy and earthy black pinot fruit that complements to perfection the textured, serious and hugely deep full-bodied flavors that completely drench the palate with extract like the Clos St. Denis, the tannins are rendered almost invisible and conferring a very suave character to the balanced and equally long finish. But here there is even more depth and power and while this won't make anyone forget the 2005, it's a worthy successor.' 2018+ 93-96 AM. Other formats on request.</i>

<p><i>There are 6,500 cases of the superb 2006 Dominus (91% Cabernet Sauvignon, 6% Cabernet Franc, and 3% Petit Verdot). Its dark plum/purple color is accompanied by aromas and flavors of truffles, forest floor, black cherries, black currants, and Asian spices. One of the finest wines of the vintage, it is complete, full-bodied, and seamlessly built with beautiful ripe tannins, low acidity, and a luscious, layered mouthfeel. The aromatics are even more evolved and complex than the 2005's. The 2006 should drink well for 20-25 years. (96) The Wine Advocate.</i></p>

<p><i>The opaque purple-hued 2005 exhibits an extraordinary nose of violets, creme de cassis, charcoal, and spring flowers. Gorgeously pure, opulently full-bodied, with sweet tannins, superb concentration, and a low acid, ripe, tannic finish, it tastes like a top-notch vintage of ripe Bordeaux, but made in California. It can be drunk now and over the next 20-25 years. Bravo! WA 95+</i></p>

<i>The NV Brut Rose is especially full-bodied in this year's version, which is based on 2005. Gorgeous notes of freshly cut flowers, raspberries, spices and minerals flow from this delicious Champagne. The wine possesses outstanding harmony, particularly in the way the fruit carries through to the long finish. Nyetimber (Sparkling wine)	Classic Cuvée	W 2005	(6 x 75 cl)	10	£100.00		IB
-------------------------------	---------------	--------	-------------	----	---------	--	----

The 2003 was recently voted best bubbly in the world beating Bollinger and Louis Roederer to the top spot. Now in its second year, the competition Bollicine del Mondo attracts sparkling wines from around the world. The wines are tasted blind by a panel of judges including famous winemakers.

The 2005 is made from Chardonnay, Pinot Noir and Pinot Meunier grapes like the 2003, but has more backbone and in our opinion it is better balanced and will last for 10-15 years. It has good classic structure, zesty citrus flavours and racy acidity on a long harmonious finish. One of their best yet and has just won Gold at the international wine challenge 2010.

<i>The outstanding 2007 Chateauneuf du Pape (a blend of 80% Grenache, 10% Mourvedre, 7% Syrah, and 3% Cinsault that achieved 16.5% natural alcohol) exhibits a dark ruby/purple color in addition to a sumptuous bouquet of black fruits, scorched earth, lavender, truffles, and licorice. Domaine de Pegau	Chateauneuf 'Cuvee de Capo'	R	2007	(6 x 75 cl)	10	£1,325.00			IB
<i>The 2007 Chateauneuf du Pape Cuvée da Capo (the first made since 2003) is a whopper! Slightly less potent alcohol-wise than the 1998 or 2003, Laurence Feraud compares it to the 2000. With just under 16% natural alcohol, it exhibits a dense purple color along with a big, sweet kiss of charcoal, grilled steaks, beef blood, plums, blackberries, smoked herbs, kirsch, and black currants, fabulous concentration, enormous body, and a finish that lasts over a minute. There is a freshness and vibrancy because of the vintage's crisp acid levels, and the wine should age well for 30+ years. It reminded me more of the 1998 at a similar stage than the 2000, but that's splitting hairs given the quality level of this offering. Normally there are 500-600 cases produced, most of it being available through the grey market rather than through any authorized importers. Laurence told me the Capo will be bottled in February, 2010. Drink 2014-2035. WA 98-100' (Issue number 185, Oct 2009)</i>

<i>The fabulous 2005 Cote Rotie Chateau d'Ampuis is a resounding success. This is the first vintage where Guigal's newest acquisition, the Syrah from the Viria Vineyard (essentially a fourth single vineyard), is included in the blend. Dark ruby/purple to the rim, it boasts an extraordinary bouquet of ground pepper, creme de cassis, blackberries, coffee, bacon fat, and herbs. With outstanding concentration, huge tannin, and massive intensity as well as extract, it needs 7-8 years of cellaring, and should keep for 30-35 years. 96-98/100 WA</i>

The exceptional entry wine named after the initials of the talented winemaker and owner, Peter Sisseck. The nose exudes sweet, freshly fermented grape must, lifted by a heady dash of pepper. Sweet, supple and ripe, there are very attractive wild berry aromatics on both the nose and palate, complemented by a serious underlying structure and fine mineral character. Affordable and great value.
